August 2022

What We Stand for at Dan Ryan's Chicago Grill...

We start early... baking breads, muffins & cakes, cutting aged imported steaks, carefully selecting fresh seafood, proteins, vegetables & herbs. This has been our passion for over 33 years.

These all make for a new generation of American food, a melting-pot of ethnicities that make us better at what we do because we come from many cultures.

This is Dan Ryan's today..We do all this for you... And because it just tastes better... we make food we like to eat!
